Dana Alsomali

Jeddah, Saudi Arabia

SUMMARY

Supply Chain Management graduate with a strong academic record (GPA: 4.91/5) from the University of Jeddah. Developed hands-on skills in supplier relationship management during training at SABIC and gained practical commercial experience through the Nestlé Sales & Beyond Program. Actively engaged in industry-related courses and conferences to expand knowledge and practical expertise. Eager to apply strong analytical, communication, and optimization skills in a dynamic supply chain environment.

EXPERIENCE

Nestlé Academy Sales & Beyond Graduate

Nestlé Middle East & North Africa | July 2025 - August 2025

- Completed an intensive program covering core business functions including Sales, Marketing, Commercial Development, and Data Analytics.
- Gained hands-on experience through trade market visits (General Trade & Modern Trade) and direct field shadowing with the Nestlé sales team.
- Developed commercial and business understanding through exposure to real-world operations, understanding customer needs, and data-driven decision-making.

SABIC | Jubail, Saudi Arabia

Cooperative Training | Global Procurement Department | Supplier Relationship Management | June 2024 – August 2024.

- Gained practical experience in registering and qualifying suppliers per procurement policies.
- Managed supplier inquiries, ensuring effective communication and fostering strong relationships.
- Supported procurement processes, contributing to compliance with company standards.
- Collaborated with a professional team, improving interpersonal and problem-solving skills.
- Enhanced analytical abilities by working in a dynamic corporate procurement environment.

EDUCATION
