

Zahraa Zakareya

Interior Designer | UX/UI Designer

Bahraini | +973-39022006 | zvhraanaser@gmail.com | [LinkedIn](#) | [Portfolio](#)

Profile

I am an interior designer with a strong background in UX and UI design. I combine my expertise in creating visually appealing and functional spaces with user-centered design principles. By seamlessly blending interior design and UX/UI principles, I create immersive and intuitive digital interfaces that prioritize user needs and enhance their overall experience.
