SUMMARY

I am a recent graduate from the University of Tabuk, specializing in Languages and Translation (English). I am highly motivated to develop myself and contribute to achieving tangible successes as part of a professional team. I aspire to leverage my academic knowledge and practical skills to build a distinguished career. I excel in adapting to diverse work environments, solving problems effectively, and learning quickly. I seek to enhance my expertise by joining an organization that offers opportunities for growth and development, aiming to align my personal ambitions with the organization's vision and goals.
